

VICTORIAN SCOUT GILWEROO – MAY 2011 NEWSLETTER

The Committee met on Sunday 22nd May, 2011.

At this stage, we have 150 on the Stand-by list.

To help promote Gilweroo and Scouting and add something special to this year's camp, we have applied to Guinness World Records to attempt to set a new World Record. More details on the activity will be released closer to the camp. When we get all the information we need from Guinness, we will start planning the event. Ideas including a special T-shirt, advertising, media, sponsors etc. were also discussed. If our World Record attempt goes ahead, we will be changing our finish time from 3:15pm to 4:15 (Final Parade) on Sunday afternoon.

We have got a couple of new Activities lined up along with moving and improving some oldies.

Our camp is now less than six months away so remember if you wish to take advantage of our Discount Fee of \$35.00 per scout, you will need to make your payment by 11/09/2011. Otherwise, you will need to pay \$40.00 per scout by 25/10/2011.

If you are on the Stand-by List, keep an eye on the Who's Going List on our Website www.gilweroo.com.au as we will keep updating as payments are made and Troops start adjusting their numbers.

Yours in Scouting
